FAQ Frequently asked questions

1. Who should I contact with questions about doing business with La Crosse County?

Contact Bryan Jostad, Purchasing Manager, in the Finance Department.

2. Does La Crosse County have an official preference system pertaining to the purchase of local products and services?

No. At this time County ordinance does not specify that any preference is given to local vendors. All products and services are judged on their cost, quality, and the ability to best fulfill the needs of the County.
